No. 1238 L.R. #65.

Headquarters of the Army
Adjutant General's Office,
Washington, April 20, 1881.

To the Commanding Officer
Department of Arizona,
(Thro' Headquarters Military Division of the Pacific.)

Sir:

Referring to your letter of the 5th inst. from your Headquarters, covering three copies of report of the Engineer Officer of the Department, of a reconnoissance made by him in obedience to letter of instructions from Department Headquarters, dated Feb. 18, 1881, with a view to the selection of a site for a new Military post in Southeastern Arizona, I have the honor to inform you that the Commanding General of the Army directs that you cause a survey and plat of the Military reservation at Fort Huachuca, to be prepared and forwarded to this Office, said survey & Map to include Tanner's Cañon and the extension for the site of the new post referred to in the report of the Engineer Officer, together with a description which will enable the President to declare the reservation.

In this connection, it is remarked that

USFH-00000632

that the Map and description of the Camp Huachuca reservation called for in Letter of July 15, 1880 from this Office were returned, together with the Papers in the case of Camp Jas. Rucker ~~[illegible]~~ in accordance with telegram of Nov. 4, 1880 from Adm. Hdqrs. & hence there is no order of the President creating said reservation.

A copy of the report of the Engineer Officer has been transmitted to the Chief of Engineers, as requested.

I am, Sir,
Very respy.
Your obdt. Servt.

(Sd) R. C. Drum
Adjutant General.
