REMARKS: Inclosure on Fort Huachuca, given to writer by Col. Fraser of the National Guard, may be of interest to the District Office, if not previously received.

There is some talk that the right-of-entry dated 29 January 1951, given the Acting Secretary of the Air Force by Governor Pyle, was not accepted by the Air Force.

It is recalled that with reference to the letter of 18 January 1951 from the Acting Secretary of the Air Force to the Governor of Ariz an objection was made that the Army had to relinquish its rights. This was done by telegram dated 5 March 1951 from the Under-Secretary of the Army to the Governor. It is noted that the right-of-entry is given specifically to the Air Force. May the Army use Fort Huachuca and expend money thereon based on the right-of-entry to the Air Force?
