SUPPORTING EVIDENCE

2. If **Underground Storage Facility (USF) permit conveyance**, please submit the following:

   A. Current Permit # 71-578112.0001

   B. Technical Capability: If the person(s) principally responsible for overseeing the operations will change as a result of the conveyance, the applicant must demonstrate that the new permittee is technically capable of operating and reporting for the USF in accordance with all terms and conditions of the USF permit. The applicant must submit the information on technical capability described in Section III.D.1 of the Underground Storage Facility Application Guide as it applies to the new permittee. **See Attachment A.**

   C. Financial Capability: The applicant must demonstrate that the new permittee has the financial capability to construct, operate and report for the USF in accordance with all terms and conditions of the USF permit. The applicant must submit information on financial capability described in Section III.D.2 of the
   See Attachment B1 and B2.

Underground Storage Facility Application Guide as it applies to the permittee. Except that if the facility is already operating, the applicant must submit information based on actual operational costs of the facility.

D. Aquifer Protection Permit (APP) issued by Arizona Department of Environmental Quality (ADEQ): For effluent storage, the applicant must demonstrate that the new permittee will operate the USF under a valid APP issued by ADEQ. **N/A**

E. If the Underground Storage Facility (USF) permit conveyance is for a managed facility that is designated as adding value to a national park, national monument or state park, the applicant must submit a statement, signed by the new permittee, certifying that the new permittee will continue to maintain the quantified, minimum base flow and annual discharge to the stream as established in the USF permit. **N/A**

4. If **Groundwater Savings Facility (GSF) permit conveyance**, submit the following:

A. Current Permit #72- _____

B. The applicant must submit a report that describes how the new permittee will continue to meet the requirements of A.R.S. § 45-812.01 as conditioned in the GSF permit.

C. The applicant must identify any proposed changes/updates to the Plan of Operation on file with the Department for this GSF. **Note:** Changes to the Plan of Operation constitute a permit modification. If you are changing the facility Plan of Operation, you must also submit an Application for Groundwater Savings Facility Permit form and fees.

5. If **Water Storage (WS) permit conveyance**, please submit the following:

A. Current Permit #73- _____

B. If the water to be stored is appurtenant to a place of use, the legal description of the location of that use:

_____
(quarter/quarter/quarter/section, township and range)

C. A description and documentation of the new permittee's right to use the proposed source of water. Cite the right number, law, court decree, contract or other legal basis for acquiring and using each source of water to be stored pursuant to this permit.

D. If the water storage permit application meets the requirements of A.R.S. § 45-871.01(E) and the new water storage permit holder will **not** also be the holder of the storage facility permit, please submit a consent agreement signed by the facility permit holder.

E. For water storage at a Groundwater Savings Facility, if the new water storage permit holder will **not** also be the holder of the storage facility permit, does the new permittee agree to comply with the Plan of Operation for the GSF permit listed in the water storage permit being conveyed with this application?
☐ Yes ☐ No

6. If **long-term storage credits** are being assigned pursuant to A.R.S. § 45-854.01, a Long-Term Storage Credit Transfer form must be submitted.

NOTE: If any information submitted with the original application is no longer valid as a result of the conveyance, that information must be identified and updated as it pertains to the new permittee.

NOTARIZED SIGNATURE – CURRENT PERMITTEE

I (We), West Maricopa Combine, Inc., the **current permittee(s)** named in this application, do hereby certify under the penalty of perjury, that the information contained and statements made herein are to the best of my (our) knowledge and belief true, correct and complete.
