③ Jonathan Phillips — Brand JP

Water sources

Windmill 3A-27

Goldtooth Windmill

Corral ½ mile W of Outfit ②'s rock house. (Raleigh Puhuyaoma's old corral) ③ also uses ②'s corral for cattle.

Little Cowboy Windmill

Willie N's windmill (Outfit ①) + 4 springs – but down now (not maintain (1934 case))

Trailer by his own corral

30 (Livestock mtg 8-1990) 2 horses

ca 100 cattle (May 1992), but still calving. 15 horses

Has permit from Hopi Tribe, as of ca 8 yrs. ago. Mark Begay (Grazing Chairman) told him to apply there (possibly connected w move of Roger's permit to HPL?). Applied for 250 cattle and 10 horses, but issued an "open" permit, location Coal Mine Mesa, BFOA.

(tho' Alton says JP & he split off in mid 1970s)

This outfit an outgrowth of ②. Until ca 8 yrs ago, JP herded with Roger Honahni, Stanley Honahni Sr., Alton Honahni, & Raleigh Puhuyauma. Then split off to some extent. Currently continues to herd with ②, (especially Pierson, ②'s principal). Alton Honahni herded with J.P. for a while, then moved to HPL

(esp when Little Cowboy down – to Windmill S of Chee Nez by 1882 line)

Grazing area. In Paq'lö W to ridge. E Sometimes to 1882 line & S sometimes to Gold Springs ranch. Buck Pasture fence a barrier, (Stanley Sr. used Buck Pasture for bulls until 1964) Before Hwy 264 fenced (JP says ca. 1966 – Outfit ② says ca 1971/72), JP's cattle (or Roger's) grazed all the way N to Moencopi Wash, NE to Coalmine Wash, W to west of ridge (Masiskya), & E across 1882 line to where Alton currently is – (S / Coalmine Chapter House)

Rustling – loses 4 or 5 cattle per year. E of Little Cowboy

NA 1989 22)

40+ cattle in 1990. Used to have ca. 100 until Irving's health deteriorated; nos went down to 20-30, but now (1990) increasing.
Irving worked cattle some w Alvin Honyumptewa - only 2 with bulls at one time, serviced ~~cattle~~ other outfits. In the past (20-30±), Irving shared a corral with Lewis Numkena (Sr.?), Earle Numkena, & Alvin Honyumptewa (W. Hamana - Fieldnotes 29), - ~~[illegible]~~ but seems to have been cooperation rather than complete integration. Acc. Nagata's notes in NA (a 110), this corral was used by an outfit including Eli Siletstiwa ("Irae"), Alvin H., Logan Loma, Harrison ? Honyumptewa ~~[illegible]~~
