Arizona Clear List No. 6

The State of Arizona has selected the following described public land in final satisfaction of the grant of 46,080.00 acres for University Grant purposes made by the Act of February 18, 1881 (21 Stat. 326).

Serial Number Arizona 033838

Filed April 22, 1966

Meridian GSR

Lot 6, Sec. 4, T. 1 N., R. 9 W., 7.41 acres.

The selected land has been found to be subject to selection, being surveyed, unreserved public land of the United States, free from adverse claims of record and has been classified as subject to selection by the State and opened to disposition in accordance with the provisions of Section 7 of the Taylor Grazing Act, as amended (49 Stat. 1976; 43 U.S.C. Sup. 315F). Reports have been received from the Geological Survey indicating that the selected lands are not valuable for minerals either metalliferous or nonmetalliferous.

Therefore, and pursuant to Order No. 690 (26 F.R. 12224) dated December 14, 1961, as amended, this list embracing 7.41 acres is hereby approved subject to valid rights existing at date of selection; but excepting and reserving to the United States a right-of-way over and across the land for ditches and canals constructed by the authority of the United States, as directed and required by the act of Congress approved August 30, 1890 (26 Stat. 391; 43 U.S.C. 945). Subject to Civil Rights stipulation made a part hereof.

The area heretofore certified under this grant, together with land included in this list, aggregates 46,080.00 acres, which exhausts the rights of the State to lands under this grant.
