DEPARTMENT OF THE INTERIOR.
U. S. Indian Irrigation Service.
District No. 5.

PROJECT SUMMARY?

November 25, 191 22

* * * * * * * * * * * * *

Place or project Black Falls State
Reservation Navajo
County Railroads on or near Arizona
Railroad Stations
Av. Elevation, project Av el. watershed
Av. Rainfall, project Range of temp.
Source water supply
Area drainage basin Annual runoff

WORK DONE AND RESULTS:

No construction ever done at this point. Surveys for irrigation of a tract of land were made. This would involve pumping water from wells for a portion of the year, as the river at this point is usually dry about three months.

While possible to do this, it was not considered practicable.

Future needs:

Nothing

Expenditures including amounts in Pub. Doc. 1268, June 30 1914.

Total amount expended to June 30, 19 $521.55
Deduct for maintenance and operation,
Net project costs,

F. W. 1974
