PROJECT SUMMARY.
November 25, 22
191

* * * * * * * * * * * * *

Place or project Chin Lee
Reservation Navajo State Arizona
County Apache Railroads on or near AT & SF
Railroad Stations Gallup 100 miles
Av. Elevation, project Av el. watershed
Av. Rainfall, project Range of temp.
Source water supply Canon deChelley
Area drainage basin 440 miles Annual runoff est.58000 acre ft.

WORK DONE AND RESULTS:

No construction work has ever been done at this point, but surveys were made in 1904 for reservoir and ditch. Nothing has ever been done towards its construction but it is thought that the project is entirely feasible and should be undertaken at some time.

Future needs:

Expenditures including amounts in Pub. Doc. 1268, June 30 1914.

Total amount expended to June 30, 19 $
Deduct for maintenance and operation, $
Net project costs, $

Expenditures not made by this service.
