[illegible] young men. M.A.S. 5/14/57

[illegible]

[illegible] Navajo [illegible] who are living on the north side of pasture canyon, are wanting to use the upper part of the land used by the men that are working for the school.

I wish you send them to the party who has charge of land use.

Before the Hopis get in on this land. As we understand that a Hopi is looking that part.

Elvin Nez has been using this part for some years.

Thanks

P.S. I can't [illegible]
