STATE OF ARIZONA
COUNTY OF COCONINO
CITY OF TUBA
THE 4th OF MAY 1960

TO THE DEPARTMENT OF LAND MANAGEMENT OF THE NAVAJO TRIBAL COUNCIL:

We the undersigned, namely: Max Hanley Sr. Tuba City, Arizona, Bryant Attison Tuba City, Arizona, Lee Kinnood Tuba City, Arizona and Harold Hopi Tuba City, Arizona do hereby petition the Department of Land Management of the Navajo Tribal Council to permit us, the persons named above, to continue to use 7½ acres of land located in Pasture Canyon 4 miles north of Tuba City for the raising of vegetables and other food supplies that can be raised on this strip of land.

This 7½ acres of land referred to was used by the government prior to 1956 as a garden spot for the old Tuba City Boarding School.

Since then, it has been discarded by the government school and returned to the tribe.

This 7½ acres of land is fenced on two sides across the canyon, uninhabited by any one, well watered and with the clearing away of brush, leveling off the land and raising of the center all by us, will prove to be a great help as far as a garden spot is concerned.

We the undersigned are hereby asking for permission of the Navajo Tribal Council for the use of this land described above to be used by us and our heirs as a garden spot as long as the Navajo Tribe doesn't have use for it.

Witness the signatures of the four making this request:

Max Hanley, Sr. Tuba City, Arizona

Harold Hopi Tuba City, Arizona

Bryant Attison Tuba City, Arizona

Lee Kinnood Tuba City, Arizona
