MEMORANDUM TO: Thomas H. Dodge, Supervisor and
Mr. Gray, Principal

Confirming my statement to you of January 2, we will encumber up to $75.00 per month for the months of January, February and March for maintenance labor on the Moenave and Vansee distribution systems. The precarious canal situation will require a constant patrol until construction crews can remedy the same.

Mr. Thompson suggests a daily rate of $2.40 which with overtime will come within the above $75 per month limit.

Please show on the time sheets that the labor should be paid from:

".021 Irrigation, Arizona Subsistence Tracts, Moenave."
