Mr H.C. Neuffer

Supervising Engineer

Albuquerque, N.M.

Dear Mr Neuffer:

This refers to the general plan talked over by you and the different Superintendents relative to the use of Indian labor in our work, which will be paid for by the Superintendents, in enabling the Indians to get his water developed, and at the same time reimburse the Government for reimbursable supplies already received.

We will have no difficulty in carrying out this plan with the cooperation of the different Superintendents and their field employees such as, Farmers, Stockman, Extension Agent.

Very truly yours

CC Superintendents.

A H Nomack
