Post Office Box #53 Tuba City Ariz.
Aug. 20th 1962.

Attention Mr. Long.

Dear Sir:

Enclose attached seperate statement of my claim on allotment of 53 originally own by (Shoi-Noel-The) who in turn have granted this allotment to my father John Jenkins also known to Navajo as Have Green Boy some two years after it was alloted back in 1905.

With this knowledge please advice and give me information as to how this deal should be handle for Probate settlement.

I am very much concern about this matter on behalf of my Children whom have Navajo blood in them and should be considered as such in this case for their benefit.

Thanking you in advance for the fever I remain,

Sincerely yours
Walter G. Lewis
