Fort Wingate, N.M.,
July 30th 1889.

To the
Adjutant General Department of Arizona,
Los Angelos Cal.

(Through the Commanding Officer, Fort Wingate)

Sir:

I have the honor to submit herewith a plan and estimate for walling boxing and piping water from the Springs at Lu kai ha kai, Arizona. This Spring is in the Chin le Valley about eighty two miles from Fort Defiance, Arizona.

It is used by about forty families and a great many herds of ponies and sheep are watered in the Springs and muddy pools. The soil is very sandy and the Springs are fast choking up.

This Spring and the one at White Rock are two of the most important Springs on the Navajo reservation.

I am, sir,
Very respectfully,
Your obedient servant,
John M. Stokenbury
2nd Lieut 6th Cavy.
