Dear Sir Keams Canyon Ariz

I am writing you at Request of the Indians Regarding the Dam that you had Built above here. they say it is nearly full to top of Dam and another shower will fill it and tak out the Dam and do damage to families and corn Below on the Wash if it could Be Built higher Before it Rains in it again it would Be a good thing. and they ask me to Write and Explain to you and Perhaps you might Be able to do some work on it Before it is to late

Yours truly
