5-1
Hopi
Boundaries

Mr. M. W. Billingsley,
General Delivery,
Buffalo, New York.

Dear Mr. Billingsley:

I have taken up with Commissioner Rhoads the question of determining the boundaries of the Hopi Reservation. His office has given much thought to this subject and various field representatives have endeavored to establish contact with the principal members of the tribe. He has outlined the steps that have been taken so far and has indicated in the inclosed memorandum the effect of the proposal in the Navajo boundary bill, which I should like you to read. After you have had an opportunity to study this memorandum I should be glad to have any additional suggestions you may have to offer as to the best means for handling the situation.

Sincerely yours,

(Sgd.) RAY LYMAN WILBUR

Inclosure.
