REPRODUCED AT THE NATIONAL ARCHIVES

In my judgment the non-citizen Indians of Arizona are not subject to the laws of Arizona except as prescribed by the Federal Crimes act. I would omit all reference to the laws of Arizona, write a short letter to atty. Gen. enclosing copies of correspondence & ask that the proper U.S. attorney be directed investigate the matter & take such action as the law & facts warrant, adding the usual closing paragraph. EBM 9/10
