Mr. J. E. Palmer,

Supt. Lower Agency.

JUN 28 1929

Dear Mr. Palmer:

Receipt is acknowledged of your letter of June 8, inclosing a statement containing the signatures of a number of Indians relative to sending a delegation to Washington to discuss matters pertaining to the general welfare of the tribe.

We can see no necessity for expending funds to pay expenses of delegates to Washington. Questions pertaining to the welfare of the Indians of your jurisdiction can very likely be settled satisfactorily to the Indians through correspondence and their funds can, of course, be much better spent for the needs of the Indians at home.

It is suggested that you submit in writing a statement in detail of what the Indians wish to accomplish by sending delegates to Washington; or any complaints they wish to make or any matters they may wish to have explained in regard to tribal affairs for consideration of this Department.

Sincerely yours,

(Signed) Chas. H. Burke

Commissioner.
