John S. Meyburgh, Esq.,

U.S. Special Agent,

Keams Canon, Arizona.

Sir:

I transmit herewith supplemental letter of instructions for the allotment of lands to the Indians of the Moqui reservation dated May 7, 1892, and approved by the Acting Secretary of the Interior May 10, 1892.

Referring to your request of April 7th for authority to employ a surveyor at $6.00 per day, for the purpose of remarking lines when necessary, I have to state that your general instructions of January 25th last authorized you to employ, if necessary, a surveyor and the necessary assistants, who should be Indians in all cases where practicable. For such persons you will furnish the proper vouchers, and report employees upon the list of irregular employes.

You are again particularly enjoined to incur no expense of this character unless you find it absolutely necessary for the proper discharge of your duties in making these allotments.

Very respectfully,
