Gentlemen:

In connection with your quotations furnished this office in your letter dated April 25, 1957, covering certain title certificates which will be required in connection with our acquiring certain land at Fort Huachuca, we attach a Schedule of Quotations. It will be noted that your Company has been found to be the successful bidder.

It is to be understood that furnishing this service will be accomplished only on order from this office even though a Purchase Order is issued your Company covering all the items in the bid.

At this time, we request that you furnish a Preliminary Title Certificate to include Tracts A-103, A-104, A-105, A-106, and A-107, containing a liability of $50,000.00. These are to be prepared in accordance with "Specifications for Furnishing and Delivering Certificates of Title", ENG Form 625, and "Certificate of Title", ENG Form 903, copies of which have previously been furnished your Company. We attach tract description of each of the referenced parcels. It is requested that you use these descriptions verbatim unless there is some error discovered in which event you will immediately notify this office prior to writing the certificate.

The point of delivery is to be Arizona Area Office, Corps of Engineers, 211 East McDowell Road, Phoenix, Arizona.

These certificates are to be furnished in quintuplicate on or before May 27, 1957.

Yours very truly,

S. C. FARRINGTON
