Gentlemen:

Pursuant to 43 CFR 2411.1-4 (formerly 43 CFR 296.4), the following is the initial decision on the petition for classification under State Selection (Institutional Grants) filed for lands described below:

Gila and Salt River Meridian

UNIT I

T. 12 N., R. 4 W.,
Section 12, all.

Containing 640.00 acres.

UNIT II

T. 13 N., R. 4 W.,
Section 13, lots 1-16, inclusive; lot 19, and SW¼SW¼.

Containing 567.20 acres.

I have determined that it is proper to classify the land in Unit I shown above for State Selection because:

1. The land is without value for minerals.
2. Disposition of this land to the State will have no adverse affect on any Bureau program.
3. The land is classified in the public interest as proper for disposal to the State of Arizona.

I have further determined that t

I have further determined that it is not proper to classify the lands in Unit II for State Selection because they are mineral in character and not eligible for selection by the State of Arizona. Selected lands must be nonmineral.

For a period of 60 days after receipt of this decision in accordance with 43 CFR 2411.2, this initial decision shall be subject to the exercise of the supervisory authority by the Secretary of the Interior for the purposes of administrative review. If the Secretary exercises his supervisory authority, you will be so notified. If he does not exercise his authority, this decision will become the final order of the Secretary.

Any comments, objections, or protests to this decision should be sent within 60 days to the Secretary of the Interior, U. S. Department of the Interior, Washington, D. C. - 20240.

Sincerely yours,

DECISION

State of Arizona

Grant Selection Application
Arizona 032900

Applications allowed; publication directed

The State of Arizona has filed Selection Application Arizona 032900 under its special grants, as follows:

University Purposes, Act of June 20, 1910, N½ Section 12, T. 12 N., R. 4 W., 320 acres.

Insane Asylums, W½SE¼ Section 12, T. 12 N., R. 4 W., 80 acres.

Normal Schools, E½SE¼ Section 12, T. 12 N., R. 4 W., 80 acres.

University Purposes, Act of February 18, 1881, SW¼ Section 12, T. 12 N., R. 4 W., 160 acres.

All GSR Mer., Arizona.

It has been reported that these lands are without value for minerals, either metalliferous or nonmetalliferous, and the disposal thereof will not be detrimental to the public interest. Also, the Geological Survey has reported that survey information indicates that these lands are without value for minerals.

In view of the foregoing, the above described lands have been classified under Section 7 of the Taylor Grazing Act as proper for selection and acquisition by the State of Arizona, subject to future compliance with the laws and regulations governing indemnity land grant selections.

If and when this selection is approved and certified to the State, the certification will contain a reservation in accordance with the Act of August 30, 1890 (26 Stat. 391), as to ditches and canals.

NOTICE TO PETITIONER

Your application (which must be attached hereto) requests the Secretary of the Interior to take an action that is entirely within his discretion. The basis for the Secretary's authority and the policies and procedures which he has established under that authority, are described in the regulation 43 CFR, Part 296. A copy of these regulations can be secured from any land office of the Bureau of Land Management.

(Institutional Grant s No. 935 through 944)

PETITION

I HEREBY PETITION The Secretary of the Interior to have the lands described in the attached application classified or otherwise made available for entry or disposition pursuant to my application.

I understand that if the Authorized Officer of the Bureau of Land Management does not make the lands available for disposition pursuant to my application, the regulations of 43 CFR, Part 296, are applicable to my case.
