DEPARTMENT OF THE INTERIOR

GENERAL LAND OFFICE

Washington, D. C., June 5, 1916

It is hereby certified that the tracts described in this list, No. 5, are embraced in the original lists, now on file in this office, of lands selected by the State of Arizona, pursuant to the laws of said State, in the Phoenix land district, in part satisfaction of the grant to said State, for the purpose and under the provisions of the Act of Congress cited.

It is further certified that the said tracts are unreserved, unappropriated, surveyed public land of the United States, within the limits of said State, free from adverse claims of record, and not mineral in character.

The quantity of land heretofore certified to the State under this grant, is 67,283.47 acres, which, with the amount embraced herein, 1480.00 acres, aggregates 68,763.47 acres.

It is therefore recommended that the selections be approved, subject to any valid interfering rights existing at date of selection, but excepting and reserving unto the United States rights of way over and across said selected lands for ditches or canals constructed by their authority, all as directed and required by the Act of Congress approved August 30, 1890 (26 Stat., 391).

Clay Tallman
Commissioner.

DEPARTMENT OF THE INTERIOR

OFFICE OF THE SECRETARY

WASHINGTON, D. C.
Jun-8 1916

The foregoing selections, embracing 1480.00 acres, are hereby approved, subject to any valid interfering rights existing at date of selection, reserving to the United States rights of way over and across said selected lands for ditches or canals constructed by their authority, all as directed and required by the Act of Congress approved August 30, 1890 (26 Stat., 391).

Alexander T. Vogelsang
First Assistant Secretary.

DEPARTMENT OF THE INTERIOR,

GENERAL LAND OFFICE,

Washington, D. C. May 29, 1918.

THIS CERTIFIES that the tracts of land described in the foregoing list have been carefully examined and compared with the township plats and tract books in this office, and the same have been found to inure to the State of Arizona, under its grant for the purpose stated, being free from conflicts or other adverse claims of record; that these tracts are not embraced in any withdrawal for coal, oil, mineral, power-site, reservoir, or other purposes; that reports have been received from the Geological Survey, indicating that these lands are not valuable for coal or other minerals, nor for power-site or reservoir purposes, and that the inclusion of any part thereof in a public water reserve is not required by the public interest.

Mary L. Hadley,

Examiner.
