AMFAH-JA 680.4

7 AUG ;052

SUBJECT: Reacquisition of Title to the Fort Huachuca Military
Reservation.

TO: Phoenix Real Estate Field Office
Corps of Engineers
U. S. Army
Phoenix, Arizona

1. Inclosed herewith is a copy of letter to Commanding General, Sixth Army, requesting that your office be directed to expedite the reconveyance of the Fort Huachuca Military Reservation to the United States for the use of the Army.

2. This headquarters has received no information as to why reconveyance of the Reservation to the United States has not been accomplished. It appears that perhaps this action has not been taken solely because no agency of the United States has evinced any particular interest in the reconveyance since Arizona House Bill No. 170 was passed and signed into law.

3. If your office has any information relative to any obstacles preventing such reconveyance and acceptance by the United States of the deeds, it is requested that this headquarters be informed.
