The Honorable Carl Hayden
United States Senator
Washington, D. C.

Dear Senator Hayden:

The State has been requested by the Corps of Engineers, United States Army, to sign documents that transfer Fort Huachuca Artillery Range to the Department of Army.

The Governor and I are in accord as to the need of Fort Huachuca of the Artillery Range, however we both believe the instrument of transfer or supplement to it should incorporate provision for continuing field training by the National Guard of Arizona, (Army), as outlined in the letter of 25 August 1956, copy of which is attached.

It is requested you prevail upon the Secretary of Army to take such action as will insure our training at Fort Huachuca, Arizona.

With every good wish,

Respectfully yours,

FRANK E. FRASER
Major General NG Az
The Adjutant General
