Re: Deeds to
Fort Huachuca

January

Mr. Thomas L. Kimball, Director
Arizona Game and Fish Commission
Capitol Annex
Phoenix, Arizona

My dear Tom:

I have your letter of the ninth relative to the discrepancy in the deeds to Fort Huachuca in the division of land between the Arizona Game and Fish Commission and the Arizona National Guard.

Corrected deeds are now in course of preparation and it is my wish and hope that no attempt will be made to disturb the preparation of the deeds. We have had enough trouble with these deeds and I am sure that some working agreement can be satisfactorily arrived at between the Game and Fish Department and the National Guard relative to allocation of property within the confines of the Fort.

With kindest regards and all good wishes, I am

Sincerely,

DEC-E
