## MEMORANDUM

TO: ~~Dennis Gebhard~~, Planner, OHL

FROM: Jane C. Bremner, Hydrologist, WRP

A handwritten signature in cursive script, appearing to read "Jane C. Bremner".

SUBJECT: Response to your request for assistance

I have spoken with both Ron Billstein, expert witness engineer, and Bill Perry, attorney, for the LCR water rights case regarding the two matters we discussed on the phone last Friday. I know that you are over-extended with two jobs so since you have not been available at the time you had indicated I am sending this information by memo.

In regards to the first matter, the dam safety related material on Pasture Canyon apparently developed with 638 funds, Mr. Billstein doubts it exists but will check with his contacts at BOR and get back to me. We can find nothing on this in our office.

Let me know if I can be of any further assistance.
