MEMORANDUM FOR: H. F. Johnson ✓
J. G. Keller
L. R. Kenefick
S. T. Kimball
E. A. Nicholson

Attached is a copy of the outline which has been drawn up tentatively to be used as a guide in bringing together overall information relative to the Navajo and Hopi Reservations, and from that information the development of conclusions and recommendations suitable for administrative and planning guidance.

It would be appreciated very much if you would examine this outline critically and attach separate sheets, cross-referenced, including any suggestions for improvement which may occur to you.

Also it would be appreciated if you would make available any reports or other information which you may have regarding any of the subjects indicated.

Paul Phillips
Assistant Soil Conservationist
