Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

I have the honor to submit my report on the General  
Grazing Situation on the Navajo Indian Reservation.

Attached and made a part of this report is a pic-  
torial section.

It has been a privilege to me, to present to the  
Indian Office, in my poor way, the grazing and range con-  
ditions on the Navajo Indian Reservation as I see them.  
I have endeavored to briefly state such corrective meas-  
ures as I feel can materially improve the present situation  
and be of benefit to the Navajo Indian in the future.

Very respectfully submitted:

Wm. H. Zeh,  
Forester.
