Northern Navajo,
Ship Rock, Arizona.

Dear Mr. McCray:

I have been informed there will be a heavy
sheep movement from the various Indian Agencies to Kansas City
and Omaha, Nebraska.

If you have authority, will you route Omaha
via Santa Fe R.R., thence Rock Island Lines? If you do not
have this authority, kindly wire me collect, at your first
opportunity, or write me, name of party having authority to
route this traffic.

Yours very truly,
