Supt. N. Navajo Agency

Shiprock, N.M.

Dear Mr Mc Cray:

This refers to your letter of January 4, relative to balance of well casing purchased for the Northern Navajo jurisdiction, but not used due to the fact that it was only possible to develop 1 well instead of 3, as you mention in your letter.

The above mentioned well casing is not charged to the Northern Navajo allotment, but is carried in what we call our Stores department until used, and when used it will be charged to the allotment assigned to the respective jurisdiction on which it was used. Therefore, it will not effect the amount of money used on your jurisdiction for Water development.

Very truly yours
