Mr. Ray Walker,
Associate Agronomist,
Navajo Service,
Window Rock, Arizona.

Dear Mr. Walker:

In examination of the Moenave Area agreement, it has been noticed to be of more general nature than seems advisable under circumstances which arise from time to time.

In conjunction with Mr. Hinds, Project supervisor, we have made a few changes and additions which we believe will render the entire agreement applicable to any and all circumstances so long as it shall endure.

A copy of the original agreement and copy of the agreement with changes made marked in red pencil are enclosed for your inspection and consideration.

Very truly yours,

Chester J. Jordan
