Proposed res-
ervoir site.

DEC 11 1909

W. H. Code, Esq.,

Chief Engineer,

522 Sunnier Building,

Los Angeles, California.

FOR FILE

Sir:

The Department has received your letter of November 11, 1909, submitting a report of Superintendent of Irrigation H. F. Robinson, covering his examination of the proposed reservoir site near Ganado, Arizona, on the Navajo Reservation.

The Department agrees that a further examination should be made by you with reference to the proposed reservoir site before final action is taken.

Very respectfully,

(Signed) Frank P. ...
First Assistant Secretary.
