DEPARTMENT OF THE INTERIOR,
UNITED STATES INDIAN SERVICE,

Keams Canon, Arizona.

May 8, 1905.

The Honorable,
The Commissioner of Indian Affairs,
Washington, D.C.

Sir:

Replying to yours of April 24th., "Land 25537-1905" I have the honor to state that the little reservoir is for irrigating a small tract to be used for the school in raising hay primarily but incidentally it is experimental that I may obtain some data as to the seepage of a clay lined reservoir in combination with the loss by evaporation.

Very respectfully,

Geo. G. Linnon
Supt.
