Boundaries  
Marked.

DEPARTMENT OF THE INTERIOR  
UNITED STATES INDIAN FIELD SERVICE

Hopi Indian Agency,  
February 3, 1926.

The Honorable  
Commissioner Indian Affairs,  
Washington:

Sir:

*Pa*

I have the honor to request the Office to send some men here, from any source available, to locate and definitely mark the boundary lines of the Hopi Reservation. We have the Govt. markers for this purpose. We find in our files some reference of men sent in the past to do this, but they also indicate they did not accomplish their mission. We are greatly handicapped, in the administration of the affairs of this reservation, through the fact that our boundaries are not properly established. We will greatly appreciate the assistance of the Office in this matter.

Very respectfully,

*Edgar K. Miller*  
Edgar K. Miller, Supt.
