Mr. Peter Navassa,
Chairman, Hopi Tribal Council,
Shungopovy, Arizona.

APR 26 1938

My dear Mr. Navassa:

Your letter dated March 16, addressed to Commissioner Collier, has been referred by him to me for reply.

I regret that an earlier reply has not been made but the delay was caused by the fact that I was in the West visiting various reservations and your letter was held until I returned to this office.

While Superintendent Fryer was in here I personally discussed the matter with him and he promised to personally look into and adjust the matter to your satisfaction. Accordingly, a copy of this reply, together with a copy of your letter is being forwarded to Superintendent Fryer with the request that he take immediate action in the matter if he has not already done so.

Sincerely yours,

(Sgd) J. M. STEWART
