OFFICE OF INDIAN AFFAIRS,

Subject: Water supply,
Moqui Reservation.

WASHINGTON.

April 3, 1908.

M. M. Murphy,
Special Allotting Agent,
Tuba, Arizona.

Sir:

The Office has received your letter of March 21 concerning the importance of adopting a plan that will prevent a few individuals from controlling the grazing lands on the Moqui Reservation by getting control of the permanent water supply, etc.

A copy of your letter has been referred to H. F. Robinson, Superintendent of Irrigation, who has been directed to take up the unfinished work of the late Superintendent Harper, for consideration in connection with the instructions heretofore given Mr. Harper through Chief Engineer Code.

Very respectfully,

C. F. Larrabee,

Acting Commissioner.
