SUPERVISING ENGINEER
ALBUQUERQUE, N. M.

February 2, 1920.

Mr. W. M. Reed, Chief Engineer,
Interior Building,
Washington, D. C.

My dear Mr. Reed:

I herewith enclose a copy of a letter just received from Superintendent Daniel at Keam Canyon, Arizona, relative to further well drilling on his reservation.

I trust that the information therein contained will be sufficient to cause the Commissioner to reconsider his orders regarding the work.

Yours very truly,

A handwritten signature in cursive script that reads "N. J. Robinson".

Supervising Engineer
