MEMORANDUM FOR SECRETARY ICKES

INTERIOR DEPT.
RECEIVED
JUN 15 1940
SECRETARY'S
MAIL CENTER

I think that you will be interested in reading the enclosed letter which has reached me, commenting upon the situation in our Hopi jurisdiction of Arizona. It corroborates what we have known, that Superintendent Wilson is doing a fine piece of work. And Mr. Wilson is, so far as I know, the first Hopi Superintendent who ever did work intimately and wisely with the Hopis.
