Solicitor  
Commissioner of Indian Affairs

From: Associate Solicitor, Indian Affairs

Re: Expulsion of Navajo Indians from Hopi Reservation

*Imm*  
*- Hopi*

I note that on April 22, 1966, the Navajo Tribal Council passed a resolution advising the Navajos who are residing on the Hopi Reservation under notice to remove not to do anything until their "legal rights may be properly settled." I think we should hold a meeting as soon as possible to determine what action the Department should take in light of the Navajo resolution.
