My Friends:

I have your letter, without date, wherein you discuss the action of your Superintendent, Mr. Charles H. Dickson, in issuing a marriage license to one of your tribe who has apparently taken a third wife without having been lawfully separated from his former wives, and the matter of labor for the Indians.

As soon as a report is received from Mr. Dickson, you will be further advised.

Respectfully,

(Signed) F. H. Abbott.  
Assistant Commissioner.
