Dear Mr. Balmer:

The receipt is acknowledged of your letter of November 7 inclosing copy of the Winslow Mail dated October 21, 1932, containing an account of the Leupp annual fair.

Needless to say we are very much pleased with this evidence of progressiveness. The displays of garden and field crops, silver work, sewing and other articles must have been unusually good to have taken so many prizes. The prize winners as well as those who selected, arranged and handled the exhibit are congratulated. We trust that this success will lead to further efforts and additional rewards in the future.

Sincerely yours,

(Signed) C. J. Rhoads
