RESOLUTION OF 48TH ANNUAL GOVERNORS' CONFERENCE

Mr. BYRD. Mr. President, I ask unanimous consent to have printed in the RECORD a resolution adopted at the 48th Annual Governors' Conference. The resolution was submitted by Gov. Thomas B. Stanley, Virginia.

There being no objection, the resolution was ordered to be printed in the RECORD, as follows:

JUDICIAL INTERPRETATION—PREEMPTION

Members of this Conference are gravely concerned by decisions of the Supreme Court of the United States which have held that congressional enactments supersede State laws on the matters involved and thereby preempt those fields for the Federal Government alone. Judicial interpretations of this character seriously handicap the States in the regulation and administration of their internal affairs: Now, therefore, be it

Resolved, That the 48th Annual Governors' Conference recommend to the Congress that Federal laws should be so framed that they will not be construed to preempt any field against State action unless this intent is stated, and that exercise of national power on any subject should not bar State action on the same subject unless there is positive inconsistency.

PROHIBITION OF LIQUOR ADVERTISING IN INTERSTATE COMMERCE—PETITION

Mr. MAGNUSON. Mr. President, I present for appropriate reference, and ask unanimous consent to have printed in the RECORD, a petition which I received, praying for the enactment of the so-called Langer bill (S. 923) to prohibit the transportation in interstate commerce of alcoholic beverage advertisements.
