Indians.  
Hopi and  
Navajo Tribes.  
Mediator.  
25 USC 640d.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That, (a) within thirty days after enactment of this Act, the Director of the Federal Mediation and Conciliation Service shall appoint a Mediator (hereinafter referred to as the "Mediator") who shall assist in the negotiations for the settlement and partition of the relative rights and interests, as determined by the decision in the case of *Healing v. Jones* (210 F. Supp. 125, D. Ariz., 1962, aff'd 363 U.S. 758, 1963) (hereinafter referred to as the "Healing case"), of the Hopi and Navajo Tribes (hereinafter referred to as the "tribes") to and in lands within the reservation established by the Executive order of December 16, 1882, except land management district no. 6 (such lands hereinafter referred to as the "joint use area"). The Mediator shall not have any interest, direct or indirect, in the settlement of the interests and rights set out in this subsection. The duties of the Mediator shall cease upon the entering of a full agreement into the records of the supplemental proceedings pursuant to section 3 or the submission of a report to the District Court after a default in negotiations or a partial agreement pursuant to section 4.

(b) The proceedings in which the Mediator shall be acting under the provisions of this Act shall be the supplemental proceedings in the Healing case now pending in the United States District Court for the District of Arizona (hereinafter referred to as "the District Court").

(c) (1) The Mediator is authorized to request from any department, agency, or independent instrumentality of the Federal Government any information, personnel, service, or materials he deems necessary to carry out his responsibilities under the provisions of this Act. Each such department, agency, or instrumentality is authorized to cooperate with the Mediator and to comply with such requests to the extent permitted by law, on a reimbursable or nonreimbursable basis.

Interagency  
committee.  
Establishment.

(2) To facilitate the expeditious and orderly compilation and development of factual information relevant to the negotiating process, the President shall, within fifteen days of enactment of this Act, establish an interagency committee chaired by the Secretary of the Interior (hereinafter referred to as the "Secretary") to develop relevant information and to respond to the requests of the Mediator.

(d) The Secretary shall appoint a full-time representative as his liaison with the Mediator to facilitate the provision of information and assistance requested by the Mediator from the Department of the Interior.

(e) The Mediator may retain the services of such staff assistants and consultants as he shall deem necessary, subject to the approval of the Director of the Federal Mediation and Conciliation Service.

Negotiating  
team.  
25 USC 640d-1.

SEC. 2. (a) Within thirty days after enactment of this Act, the Secretary shall communicate in writing with the tribal councils of the tribes directing the appointment of a negotiating team representing each tribe. Each negotiating team shall be composed of not more than five members to be certified by appropriate resolution of the respective tribal council. Each tribal council shall promptly fill any vacancies which may occur on its negotiating team. Notwithstanding any other

provision of law, each negotiating team, when appointed and certified, shall have full authority to bind its tribe with respect to any other matter concerning the joint use area within the scope of this Act.

(b) In the event either or both of the tribal councils fail to select and certify a negotiating team within thirty days after the Secretary communicates with the tribal council under subsection (a) of this section or to select and certify a replacement member within thirty days of the occurrence of a vacancy, the provisions of subsection (a) of section 4 shall become effective.

(c) Within fifteen days after formal certification of both negotiating teams to the Mediator, the Mediator shall schedule the first negotiating session at such time and place as he deems appropriate. The negotiating sessions, which shall be chaired by the Mediator, shall be held at such times and places as the Mediator deems appropriate. At such sessions, the Mediator may, if he deems it appropriate, put forward his own suggestions for procedure, the agenda, and the resolution of the issues in controversy.

Negotiating  
session.

(d) In the event either negotiating team fails to attend two consecutive sessions or, in the opinion of the Mediator, either negotiating team fails to bargain in good faith or an impasse is reached, the provisions of subsection (a) of section 4 shall become effective.

(e) In the event of a disagreement within a negotiating team the majority of the members of the team shall prevail and act on behalf of the team unless the resolution of the tribal council certifying the team specifically provides otherwise.

SEC. 3. (a) If, within one hundred and eighty days after the first session scheduled by the Mediator under subsection (c) of section 2, full agreement is reached, such agreement shall be put in such form as the Mediator determines best expresses the intent of the tribes and shall then be submitted to the Secretary and the Attorney General of the United States for their comments as they relate to the interest of the United States in the proceedings. These comments are to be submitted to the Mediator and the negotiating teams within thirty days. The negotiating teams and the Mediator shall then consider the comments and, if agreement can still be reached on terms acceptable to the negotiating teams and the Mediator within sixty days of receipt by him of the comments, the agreement shall be put in final written form and shall be signed by the members of the negotiating teams and the Mediator. The Mediator shall then cause the agreement to be entered into the records of the supplemental proceedings in the Healing case. The provisions of the agreement shall be reviewed by the District Court, modified where necessary, and put into effect immediately thereafter.

Full agreement.  
25 USC 640d-2.

(b) If, within the one hundred and eighty day period referred to in subsection (a) of this section, a partial agreement has been reached between the tribes and they wish such partial agreement to go into effect, they shall follow the procedure set forth in said subsection (a). The partial agreement shall then be considered by the Mediator in preparing his report, and the District Court in making a final adjudication, pursuant to section 4.

Partial agree-  
ment.

(c) For the purpose of this section, the negotiating teams may make any provision in the agreement or partial agreement not inconsistent with existing law. No such agreement or any provision in it shall result in a taking by the United States of private property compensable under the Fifth Amendment of the Constitution of the United States.

25 USC 640d-3.

SEC. 4. (a) If the negotiating teams fail to reach full agreement within the time period allowed in subsection (a) of section 3 or if one or both of the tribes are in default under the provisions of subsections (b) or (d) of section 2, the Mediator, within ninety days thereafter, shall prepare and submit to the District Court a report containing his

recommendations for the settlement of the interests and rights set out in subsection (a) of section 1 which shall be most reasonable and equitable in light of the law and circumstances and consistent with the provisions of this Act. Following the District Court's review of the report and recommendations (which are not binding thereon) and any further proceedings which the District Court may schedule, the District Court is authorized to make a final adjudication, including partition of the joint use area, and enter the judgments in the supplemental proceedings in the Healing case.

Hearing.

(b) Any proceedings as authorized in subsection (a) hereof shall be assigned for hearing at the earliest possible date, shall take precedence over all other matters pending on the docket of the District Court at that time, and shall be expedited in every way by the Court.

SEC. 5. (a) For the purpose of facilitating an agreement pursuant to section 3 or preparing a report pursuant to section 4, the Mediator is authorized—

(1) notwithstanding the provisions of section 2 of the Act of May 25, 1918 (40 Stat. 570), to recommend that, subject to the consent of the Secretary, there be purchased or otherwise acquired additional lands for the benefit of either tribe from the funds of either tribe or funds under any other authority of law;

(4) to recommend, in exceptional cases where necessary to prevent personal hardship, a limited tenure for residential use, not exceeding a life estate, and a phased relocation of members of one tribe from lands which may be partitioned to the other tribe in the joint use area; and

(5) to make any other recommendations as are in conformity with this Act and the Healing case to facilitate a settlement.

(b) The authorizations contained in subsection (a) of this section shall be discretionary and shall not be construed to represent any directive of the Congress.

Report.  
25 USC 640d-5.

SEC. 6. The Mediator in preparing his report, and the District Court in making the final adjudication, pursuant to section 4, shall consider and be guided by the decision of the Healing case, under which the tribes have joint, undivided, and equal interests in and to all of the joint use area; by any partial agreement reached by the parties under subsection (b) of section 3; by the last best offer for a complete settlement as a part of the negotiating process by each of the tribes; and by the following:

(a) The rights and interests, as defined in the Healing case, of the Hopi Tribe in and to that portion of the reservation established by the Executive order of December 16, 1882, which is known as land management district no. 6 (hereinafter referred to as the "Hopi Reservation") shall not be reduced or limited in any manner.

(b) The boundary lines resulting from any partitioning of lands in the joint use area shall be established so as to include the higher density population areas of each tribe within the portion of the lands partitioned to such tribe to minimize and avoid undue social, economic, and cultural disruption insofar as practicable.

(c) In any division of the surface rights to the joint use area, reasonable provision shall be made for the use of and right of access to identified religious shrines for the members of each tribe on the reservation of the other tribe where such use and access are for religious purposes.

(d) In any partition of the surface rights to the joint use area, the lands shall, insofar as is practicable, be equal in acreage and quality: *Provided*, That if such partition results in a lesser amount of acreage, or value, or both to one tribe such differential shall be fully and finally compensable to such tribe by the other tribe. The value of the land for the purposes of this subsection shall be based on not less than its value with improvements and its grazing capacity fully restored: *Provided further*, That, in the determination of compensation for any such differential, the Federal Government shall pay any difference between the value of the particular land involved in its existing state and the value of such land in a fully restored state which results from damage to the land which the District Court finds attributable to a failure of the Federal Government to provide protection where such protection is or was required by law or by the demands of the trust relationship.

(e) Any lands partitioned to each tribe in the joint use area shall, where feasible and consistent with the other provisions of this section, be contiguous to the reservation of each such tribe.

(f) Any boundary line between lands partitioned to the two tribes in the joint use area shall, insofar as is practicable, follow terrain which will facilitate fencing or avoid the need for fencing.

(g) Any claim the Hopi Tribe may have against the Navajo Tribe for an accounting of all sums collected by the Navajo Tribe since September 17, 1957, as trader license fees or commissions, lease rental or proceeds, or other similar charges for doing business or for damages in the use of lands within the joint use area, shall be for a one-half share in such sums.

(h) Any claim the Hopi Tribe may have against the Navajo Tribe for the determination and recovery of the fair value of the grazing and agricultural use of the lands within the joint use area by the Navajo Tribe and its individual members, since September 28, 1962, shall be for one-half of such value.

SEC. 7. Partition of the surface of the lands of the joint use area shall not affect the joint ownership status of the coal, oil, gas, and all other minerals within or underlying such lands. All such coal, oil, gas, and other minerals within or underlying such lands shall be managed jointly by the two tribes, subject to supervision and approval by the Secretary as otherwise required by law, and the proceeds therefrom shall be divided between the tribes, share and share alike.

25 USC 640d-7.

(b) Lands, if any, in which the Navajo Tribe or Navajo individuals are determined by the District Court to have the exclusive interest shall continue to be a part of the Navajo Reservation. Lands, if any, in which the Hopi Tribe, including any Hopi village or clan thereof, or Hopi individuals are determined by the District Court to have the exclusive interest shall thereafter be a reservation for the Hopi Tribe. Any lands in which the Navajo and Hopi Tribes or Navajo or Hopi individuals are determined to have a joint or undivided interest

shall be partitioned by the District Court on the basis of fairness and equity and the area so partitioned shall be retained in the Navajo Reservation or added to the Hopi Reservation, respectively.

(c) The Navajo and Hopi Tribes are hereby authorized to exchange lands which are part of their respective reservations.

(d) Nothing in this section shall be deemed to be a Congressional determination of the merits of the conflicting claims to the lands that are subject to adjudication pursuant to this section, or to affect the liability of the United States, if any, under litigation now pending before the Indian Claims Commission.

(e) The Secretary of the Interior is authorized to pay any or all appropriate legal fees, court costs, and other related expenses arising out of, or in connection with, the commencing of, or defending against, any action brought by the Navajo or Hopi Tribe under this section.
