COMMENTS: PROOF OF INSURANCE - #03-001393

Thanks for your call. AON sent the Arizona State Land Department the original Certificate of Insurance with an attachment listing our commercial lease numbers on June 28, 1997. The Arizona State Land Department returned the Certificate with attachment saying the lease numbers were not referenced so I returned the Certificate with attachment along with a letter explaining the attachment. The request for #03-001393 was listed on the attachment. I called Mr. Adams today, hopefully its all taken care of.
