Explanatory

Tenneco West, Inc. contends the water tapped by the above described well is percolating ground water, and is not subject to appropriations under Arizona law. Tenneco West, Inc. further contends that there is no hydrological connection between percolating ground water tapped by this well and any waters which could conceivably eventually reach the Gila River Indian Reservation. In the alternative, if the water tapped by this well is ever determined to be subflow of the San Pedro, or to otherwise be in
