Re: File #D(23-22)22

Dear Ladies and Gentlemen::

Enclosed is our Request to Change Well Information (To correct prior error) along with a check for the \$10 fee requirement.

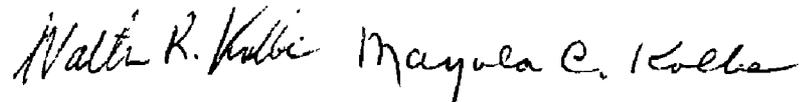

This request is to correct a clerical error made when the Department showed the Bureau of Land management (BLM) instead of Walter and Mayola Kolbe as the owners of well #55-619260. Your records mistakenly show the BLM as owners of this well when your receipt No. 21625 dated 8-3-65 clearly shows transfers from "The Nature Conservancy to Kolbe".

We request that you correct this error ASAP as it mistakenly shows the wrong owners of well #55-619260.

We thank you in advance for your prompt attention to this detail and

We remain,

Sincerely,

Handwritten signature of Walter R. Kolbe and Mayola C. Kolbe in cursive script.

Dear Rosemary:

Enclosed are Statements of Change of Well Ownership for two wells. I am also enclosing copies of Statements sent to our field office in Sierra Vista from The Nature Conservancy transferring the same wells from TNC to the Bureau of Land Management (BLM). The Nature Conservancy bought the property from the pervious owners, but apparently failed to have the ownership of the wells re-assigned to their office. Upon sale of the property in question to the BLM, they completed the paperwork and sent it to the wrong office. Upon my recent discovery that the entire paperwork had then been forwarded to Ms. Barbara Norton, in the Adjudication Section, for final deposition, I completed new forms to rectify the situation.

Please charge the ten dollar fee required for processing the documents to the Safford District's fee credit account, FCA-3. If there are questions about the documents or ownership status, please contact me at the number above.

Sincerely,

Delbert Molitor  
Hydrologist
