Dan E. Garvey, Acting Governor
State of Arizona
Phoenix, Arizona

Dear Governor:

Reference is made to the conversation held concerning
Ft. Huachuca in your office this morning.

The Arizona Game and Fish Commission some time ago went
on record as being definitely opposed to the range lands of
Ft. Huachuca being returned to the Taylor Grazing Service of
the Department of the Interior for livestock grazing of private
individuals. I would appreciate it very much if you could see
your way clear to contact Senator Hayden and our Congressional
Delegation protesting the return of any part of Ft. Huachuca to
the Department of Interior for disposal. I am sure you agree
that the greatest good for the greatest number of people will
be derived from the disposal of the Fort to the State of Arizona
through the War Assets Administration.

Very truly yours,

Thomas L. Kimball
