Dear Sir:

Please refer to our letter of April 19, 1949, whereby we submitted our Bill for Collection No. 125-545, in the amount of \$138.10, covering reimbursement of 1948 Pima County taxes paid by this Administration on the captioned property for the period August 24, 1948 to October 4, 1948.

Payment of this bill has not been made nor have we been favored with a reply to our above letter.

In view of the above situation, it is not possible under existing Government regulations for this office to process a refund in the amount of \$1,049.28 in favor of the State of Arizona. This refund represents a pro-ration of certain rentals collected from lessees at Fort Huachuca for periods beyond February 16, 1949, the date of transfer of said facility to the State of Arizona.

The Office of the Adjutant General, Military Department, State of Arizona, was advised of this situation on May 12, 1949, but thus far we have not received instructions for the handling of this account.

It is our desire to clear as promptly as possible the matters of taxes at Ryan School of Aeronautics and rentals at Fort Huachuca and your early advice will be appreciated.

However, lack of reply within a reasonable length of time will necessitate processing of the Fort Huachuca rental refund with appropriate deduction of \$138.10 to discharge the indebtedness for taxes at Ryan School of Aeronautics.

Very truly yours,
