Dear Senator Hayden:

I have just learned from Governor Howard Pyle that the title to Fort Huachuca will not pass to the government, rather the military will merely be given the right of entry and exclusive use of the Post until such time as it is no longer needed in the national defense program.

I would like to take this opportunity to thank you from the bottom of my heart and also on behalf of the many sportsmen in Arizona for your efforts in this regard. I am sure that you will realize handling the use of the Fort in this manner will prohibit any conflicts in the future relative to the disposal of the area.

Yours very truly,

THOMAS L. KIMBALL, Director
