Lt. Colonel Charles S. Breeding
Signal Officer, Fort Huachuca
Fort Huachuca, Arizona

Dear Colonel Breeding:

I greatly appreciate your note of congratulations. I also appreciate your part in the efficient and hospitable reception during our recent visit to Fort Huachuca.

We are still hopeful and working hard to arrange for the ultimate assignment of Fort Huachuca for Signal use. I cannot, however, offer any assurances that this will take place and the decision will have to be made within the Department of the Army.

Again, many thanks for your note.

With kindest regards to you and Mrs. Breeding.

Sincerely,

J. D. O'CONNELL
Major General, USA
Deputy Chief Signal Officer
