ER TO FILE NO. SPLRF 601.1 (Fort Huachuca, Arizona,  
Army Electronic Proving Ground, RE-D 5885A)

8 October 1954

SUBJECT: Army Electronic Proving Ground - RE-D 5885A - Fort Huachuca

TO: Chief, Phoenix Real Estate Field Office  
Corps of Engineers, U. S. Army  
Phoenix, Arizona

1. Reference is made to the information contained on the routing sheet dated 5 October 1954, pertaining to the recordation of a letter dated 18 January 1951, in which recapture was exercised by the Department of the Air Force on certain land in the Fort Huachuca Military Reservation.

2. It is not intended to have any organization pass upon the sufficiency of title intended by this letter of recapture. It is, however, deemed advisable by this office that the letter be recorded. It is believed that the County Recorder would accept a facsimile of the letter in question for recordation, upon certification by a representative of your office that the facsimile recorded is a true copy of the original instrument.

3. It is therefore requested that you or your representative view the original letter to Governor Pyle, dated 18 January 1951, have a facsimile prepared, and the person who views the letter, certify that such facsimile is a true copy of the original letter. This facsimile should be recorded with the certification. The notation by the County Recorder of any irregularity is of no importance. It is merely desired that this become a matter of public record. Inclosed are two photostats of the letter in question, although it is not believed that the reproduction is in sufficient clarity for recordation purposes.
